- Sec. 4.1. Reserved.

Article Five. Development Design Standards

- Sec. 5. Purpose and intent.
- Sec. 5.1. Street standards.
- Sec. 5.2. Street construction standards.
- Sec. 5.3. Street classification: definitions.

***Editor's note**—Printed herein is the Development Standards Ordinance of Darlington County, being Ordinance No. 130, as adopted by the county council on April 15, 1985, and effective the same date. Appendices to the Development Standards Ordinance are not printed herein but are on file and available for inspection in the county offices. Amendments to the original ordinance are indicated by parenthetical history notes following amended provisions. The absence of a history note indicates that the provision remains unchanged from the original ordinance. Obvious misspellings and punctuation errors have been corrected without notation. For stylistic purposes, a uniform system of headings, catchlines, capitalization, citation to state statutes, and expression of numbers in text has been used to conform to the Code of Ordinances. Additions made for clarity are indicated by brackets.

Cross references—Any zoning ordinance or development standards ordinance saved from repeal, § 1-10(9); parks and recreation, ch. 38; planning and development, ch. 42; streets, sidewalks and other public places, ch. 54.

DARLINGTON COUNTY CODE
