DARLINGTON COUNTY LANDFILL CHARGE ACCOUNT POLICY

For all charge account customers using the Darlington County Landfill, a license number is issued on a decal which is to be placed on each vehicle hauling waste.

Information such as name and address of the customer and the vehicle's empty weight is stored in the county's computer system and referenced by the license decal number. The customer may have multiple vehicles, each with a different decal number, charged to their account.

When the customer's vehicle comes to the landfill scales, the scalemaster enters the license number into the computer system. This allows for a quick and accurate charge to the customer's account.

If the customer chooses not to attach a decal to the vehicle, then he/she must have it readily visible for the scalemaster as the vehicle approaches the scalehouse service window. If not, then you will be treated as a cash only customer and asked to pay immediately.

Customers choosing not to attach the license decal to their vehicle should take precaution against loss or misuse of their license decal.

Customers will be responsible for all charges made to their account as to the result of use of their license number(s). Lost or stolen license decals should be reported immediately to Ms. Rebecca Bush at 843-398-4800. The license number can be removed from the customer's account. License decals should be removed from vehicle prior to being sold or transferred to prevent unauthorized charges.

Statements are mailed by the 15th of each month. Payments are due on the last day of the same month. Failure to pay by the deadline will result in late charges and also refusal to use landfill until all past due and late charges are paid.

It is the customer's responsibility to inform Darlington County of any changes in ownership or mailing address for their account. All information, questions or comments should be addressed to Ms. Rebecca Bush at the Darlington County Landfill, 1 Public Square, Room 210, Darlington, S.C. 29532, telephone 843-398-4800 or fax 843-398-4811.

After reading this statement, please sign below to acknowledge that you have been informed of Darlington County's Landfill charge account policy.
