Procurement Department

March 19, 2019

Due to the significance of the necessary changes for this solicitation, the Request for Proposal for the Sheriff's Evidence Storage Building RFP 01-03-21-2019 has been canceled.

The specifications such as the size of the building, water sprinkler system, height of the eave, concrete slab and heating and cooling is too much to be placed in an addendum and still defend the process of being fair to each vendor who submits or could have submitted due to the new specifications.

Therefore, this project will be resolicited with the correct specifications, and all participating vendors will be notified via email. The new request for proposal will be submitted to each vendor who showed interest in this solicitation.

If any vendor has submitted a proposal, it will be delivered back to you at the County's expense so that you may revise your proposal.

Thank you for your interest in Darlington County and for your understanding.

Sincerely,

A handwritten signature in blue ink, appearing to read "Portia E. Davis".
