Section 4. *Further Acts.* The County Council authorizes the County Administrator, other County staff, and the County Attorney, along with any designees and agents who any of these officials deems necessary and proper, in the name of and on behalf of the County (each an "Authorized Individual"), to take whatever further actions, and enter into whatever further agreements, as any Authorized Individual deems to be reasonably necessary and prudent to effect the intent of this Ordinance and induce the Company to locate the Project in the County.

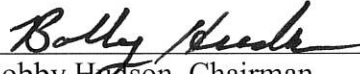

Section 5. *General Repealer.* All ordinances, resolutions, and parts thereof in conflict herewith are, to the extent of such conflict, hereby repealed.

Section 6. *Severability.* Should any part, provision, or term of this Ordinance be deemed unconstitutional or otherwise unenforceable by any court of competent jurisdiction, such finding or determination shall not affect the rest and remainder of the Ordinance or any part, provision or term thereof, all of which is hereby deemed separable.

(a) The County is a body politic and corporate and a political subdivision of the State which acts through the County Council as its governing body and by the provisions of the Act is authorized and empowered to enter into the transactions contemplated by this Fee Agreement and to carry out its

obligations hereunder. The County has duly authorized the execution and delivery of this Fee Agreement and any and all other agreements described herein or therein.

(b) The County, based on representations of the Sponsor, has determined that the Project will serve the purposes of the Act, and has made all other findings of fact required by the Act in order to designate the Project as Economic Development Property.

(c) The Project constitutes a "project" within the meaning of the Act.

(d) By proper action of the County Council, the County has duly authorized the execution and delivery of this Fee Agreement and any and all actions necessary and appropriate to consummate the transactions contemplated hereby.

(e) This Fee Agreement has been duly executed and delivered on behalf of the County.

(f) The County agrees to use its best faith efforts to cause the Land to be located within the Multi-County Park, and the County will diligently take all reasonable acts to ensure that the Project will continuously be included within the boundaries of the Multi-County Park or another multi-county park in order that the maximum tax benefits afforded by the laws of the State of South Carolina for projects in the County located within multi-county industrial parks will be available to the Sponsor.

(g) No actions, suits, proceedings, inquiries, or investigations known to the undersigned representatives of the County are pending or threatened against or affecting the County in any court or before any governmental authority or arbitration board or tribunal, which could materially adversely affect the transactions contemplated by this Fee Agreement or which could, in any way, adversely affect the validity or enforceability of this Fee Agreement.

Section 2.2. Representations of the Sponsor. The Sponsor hereby represents and warrants to the County as follows:

(a) The Sponsor is duly organized in South Carolina and is in good standing under the laws of the State of South Carolina, has power to enter into this Fee Agreement, and by proper company action has duly authorized the execution and delivery of this Fee Agreement.

(b) The Sponsor's execution and delivery of this Fee Agreement and its compliance with the provisions hereof will not result in a default, not waived or cured, under any company restriction or any agreement or instrument to which the Sponsor is now a party or by which it is bound.

(c) The Sponsor intends to operate the Project as a "project" within the meaning of the Act as in effect on the date hereof. The Sponsor intends to develop, install or operate, as applicable solar power generating facilities, to conduct other legal activities and functions with respect thereto, and for such other purposes permitted under the Act as the Sponsor may deem appropriate.

(d) The availability of the payment in lieu of taxes with regard to the Economic Development Property authorized by the Act has induced the Sponsor to undertake the Project in the County.

(e) The Sponsor plans and commits to achieve its Project Commitment by the end of the Investment Period.

(f) The income tax year of the Sponsor, and accordingly the property tax year, for federal income tax purposes, ends on December 31.

(g) The Sponsor and the Project shall comply with the County's Development Standards Ordinance as applicable to solar energy systems at the time Sponsor has submitted or caused to be submitted an application for any required zoning permits, as well as the decommissioning requirement that appears in the County's Development Standards Ordinance as of the date of this Fee Agreement.¹

ARTICLE III COMMENCEMENT AND COMPLETION OF THE PROJECT

Section 3.1. *The Project.* The Sponsor has acquired and/or installed since the Commencement Date or made plans for the acquisition of certain Equipment to be installed on the Land which comprises the Project.

Pursuant to the Act, the Sponsor and the County hereby agree that the property comprising the Project shall be Economic Development Property as defined under the Act.

Section 3.2. *Diligent Completion.* The Sponsor agrees to use its reasonable efforts to cause the acquisition, construction and installation of the Project to be completed as soon as practicable.

ARTICLE IV PAYMENTS IN LIEU OF TAXES

Section 4.1. *Special Source Revenue Credit.* The County hereby grants to the Sponsor, subject to the provisions herein, and the Sponsor hereby accepts from the County, an annual credit against the annual Negotiated FILOT Payment (a "**Special Source Revenue Credit**" or "**SSRC**") due by the Sponsor, which shall serve as a reimbursement to the Sponsor for its investment in Qualifying Infrastructure Costs (as described below). The annual SSRC described above shall equal the difference between the annual Negotiated FILOT Payment due under this Fee Agreement minus the Net FILOT Payment, to be calculated as set forth in Section 4.2 (but excluding any FILOT Payments due under Section 4.1(d) or Section 4.2(c) hereof).

(a) The first annual SSRC shall be applied starting with the first Net FILOT Payment due hereunder and shall remain effective for the entire Fee Term. For purposes of this Fee Agreement, "Qualifying Infrastructure Costs" shall include but not be limited to, the cost of designing, acquiring, constructing, improving, or expanding the infrastructure serving the Project and for improved or unimproved Real Property, Structures and Equipment in connection with the Project, and any other expenditures authorized by Section 4-29-68 of the Code.

(b) In order to receive the SSRC on the Non-Qualifying Property, the Sponsor agrees to waive the tax exemptions that otherwise may be applicable if the Non-Qualifying Property were subject to ad valorem

¹ The Development Standards Ordinance as of the date of this Fee Agreement requires that a solar energy project:

"Submit and maintain an updated facility decommission plan. The latest facility decommission plan shall be recorded in the county's clerk of courts office.

An applicant must include a decommissioning plan that describes the anticipated life of the solar energy system. Following a continuous six (6) month period in which no electricity is generated, the permit holder will have six (6) months to complete decommissioning of the solar energy system. Decommissioning includes removal of solar panels, buildings, cabling, electrical components and any other associated facilities below grade as described in the decommissioning plan. No later than thirty (30) days following the sixth (6th) anniversary of the operation date of the solar energy system, the owner of the solar energy system must provide Darlington County with a \$50,000 surety or performance bond to be maintained by the solar energy system owner or subsequent owner(s) until the solar energy system is decommissioned. Prior to the issuance of any electrical permit, the owner of the solar energy system must submit a notarized affidavit acknowledging the above decommissioning obligations. Decommissioning Plan must be passed by conveyance to successive owner(s)."

taxes, including the exemptions allowed pursuant to Section 3(g) of Article X of the Constitution of the State of South Carolina, and the exemptions allowed pursuant to Sections 12-37-220(B)(32) and (34) of the Code.

(c) If for any reason the Negotiated FILOT Payment to be made with respect to any year is less than the Net FILOT Payment, thus resulting in an SSRC that is a negative number, and if a court of competent jurisdiction holds or determines that a negative SSRC is not permitted under the Park Act, the Company shall not be entitled to receive the SSRC with respect to such year and shall make an additional payment to the County that is equal to the difference between the Net FILOT Payment and the Negotiated FILOT Payment for that given year (excluding any FILOT Payments due under Section 4.1(d) or Section 4.2(d) hereof, which shall also be due). Any payment made under the foregoing sentence shall be due at the time the corresponding Negotiated FILOT Payment is due, shall be treated as a FILOT Payment under this Fee Agreement and shall be subject to statutory interest if not paid when due pursuant to Section 12-54-25, Code of Law of South Carolina 1976, as amended, as allowed under the Act.

(d) In the event (i) the Sponsor willfully terminates this Fee Agreement for any reason except in the event of a Force Majeure as defined in section 5.10 herein; (ii) the County terminates this Fee Agreement due to an Event of Default hereunder by the Sponsor, subject to cure rights; or (iii) the Sponsor fails to invest at least eighty percent (80%) of the Project Commitment by the end of the Investment Period, then, upon demand by the County in writing, the Sponsor shall pay to the County the difference between the total FILOT Payments actually paid during the Term of the Fee Agreement and the amount which would have been due had the same property been subject to FILOT Payments determined under Section 4.2 (Steps 1-3 only) less an SSRC of sixty-five percent (65%) for each year in which a FILOT Payment was to be made with statutory interest on such amount calculated pursuant to Section 12-54-25 of the Code of Laws of South Carolina 1976, as amended. Payments made under Section 4.1(e) of this Fee Agreement shall be considered as having been made for purposes of applying this Section 4.1(d), whether that results in a positive or negative increase to the payment due under this Section 4.1(d). In the event that Section 4.1(d)(iii) is triggered but the Fee Agreement remains in effect, all future FILOT Payments due hereunder shall be calculated in accordance with Section 4.2 (Steps 1-3 only) less a SSRC of sixty-five percent (65%), in lieu of the special source revenue credit described in the first paragraph of this Section 4.1. This shall be the sole remedy for the Sponsor's failure to achieve the Project Commitment by the end of the Investment Period.

(e) The Sponsor shall make the Net FILOT Payments herein for each year in which a Power Purchase Agreement is in effect. The Sponsor recognizes that the County offered the incentives described herein in reliance on the understanding that the initial Power Purchase Agreement applicable to the Project has a term of no less than ten (10) years. In the event of a termination of this Fee Agreement by the Sponsor during the term of an in effect Power Purchase Agreement and beginning with the first year in which a Net FILOT Payment is due, the Sponsor shall be responsible for the remainder of the Negotiated FILOT Payments that would become due but for a period of years remaining on the term of such Power Purchase Agreement, and such payments shall be accelerated and become due and payable within ninety (90) days of termination of this Fee Agreement by the Sponsor.

Section 4.2. Negotiated FILOT Payments.

(a) Pursuant to Section 12-44-50 of the Act, the Sponsor is required to make payments in lieu of *ad valorem* taxes to the County with respect to the Project. Inasmuch as the Sponsor anticipates the Project will involve an initial investment of sufficient sums to qualify to enter into a fee in lieu of *ad valorem* taxes arrangement under Section 12-44-50(A)(1) of the Act, the County and the Sponsor have negotiated the amount of the payments in lieu of *ad valorem* taxes in accordance therewith. In accordance therewith, the Sponsor shall make payments in lieu of *ad valorem* taxes on all the Equipment, Structures and Real Property

which collectively comprise the Project and are placed in service, as follows: the Sponsor shall make payments in lieu of *ad valorem* taxes with respect to each Phase of the Project placed in service on or before each December 31 through December 31, 2032, said payments to be made annually and to be due and payable and subject to penalty assessments on the same dates and in the same manner as prescribed by the County for *ad valorem* taxes, less the Special Source Revenue Credit. The amount of such equal annual payments in lieu of taxes shall be determined by the following procedure (subject, in any event, to the required procedures under the Act and to Section 4.4 hereof):

- Step 1: Determine the fair market value of the Real Property and Equipment in the Phase of the Project placed in service in any given year for such year and for the following thirty-nine (39) years using the original income tax basis for State income tax purposes less depreciation for each year allowable to the Sponsor for any Equipment as determined in accordance with Title 12 of the Code, as amended and in effect on December 31 of the year in which each Phase becomes subject to the Fee Agreement, except that no extraordinary obsolescence shall be allowable but taking into account all applicable property tax exemptions which would be allowed to the Sponsor under State law, if the property were taxable, except those exemptions specifically disallowed under Section 12-44-50(A)(2) of the Act, as amended and in effect on December 31 of the year in which each Phase becomes subject to the Fee Agreement. The County and Sponsor also agree pursuant to Section 12-44-50(A)(1) of the Act that the value of the Real Property included in any Phase of the Project shall be its fair market value as determined by appraisal but the fair market value of the Real Property shall be subject to reappraisal by the South Carolina Department of Revenue not more than once every five (5) years.
- Step 2: Apply an assessment ratio of 6% to the fair market value as determined for each year in Step 1 to establish the taxable value of each Phase of the Project in the year it is placed in service and in each of the thirty-nine (39) years thereafter or such longer period of years that the annual fee payment is permitted to be made by the Sponsor under the Act, as amended.
- Step 3: Use a millage rate of 355.9 mils, which is the combined millage rate applicable to the Project on June 30, 2023, to determine the amount of the payments in lieu of *ad valorem* taxes which would be due in each year of the Fee Term on the payment dates prescribed by the County for such payments or such longer period of years that the annual fee payment is permitted to be made by the Sponsor under the Act, as amended.
- Step 4: Increase or decrease the calculated amounts determined in the previous Steps by the annual SSRC, to be determined in accordance with the calculation set forth in Section 4.1. The increase or decrease as a result of the application of the annual SSRC determine pursuant to Section 4.1 shall be shown on the annual FILOT bill sent by the County to the Sponsor by the County Treasurer.

In the event that it is determined by a final order of a court of competent jurisdiction or by agreement of the parties that the payment in lieu of taxes applicable to this transaction is to be calculated differently than described above, the payment shall be reset at the permitted level so determined.

In the event that the Act and/or the above-described payments in lieu of *ad valorem* taxes are declared invalid or unenforceable, in whole or in part, for any reason, the parties express their intentions that such payments and this Fee Agreement be reformed so as to most closely effectuate the legal, valid, and enforceable intent thereof and so as to afford the Sponsor with the benefits to be derived hereof, it being the intention of the County to offer the Sponsor an inducement to locate the Project in the County. If the Project is deemed to be subject to *ad valorem* taxation, the payment in lieu of *ad valorem* taxes to be paid

to the County by the Sponsor shall become equal to the amount which would result from taxes levied on the Project by the County, municipality or municipalities, school district or school districts, and other political units as if the Project was not and had not been Economic Development Property under the Act. In such event, any amount determined to be due and owing to the County from the Sponsor with respect to a year or years for which payments in lieu of *ad valorem* taxes have been previously remitted by the Sponsor to the County hereunder, shall be reduced by the total amount of payments in lieu of *ad valorem* taxes made by the Sponsor with respect to the Project pursuant to the terms hereof.

(b) The Sponsor agree to waive the benefits of any future legislative enactment that reduces property taxes available to solar farm property. If Sponsor claims any such benefits in addition to the benefits provided in this Fee Agreement, such action shall constitute an early termination of this Fee Agreement by Sponsor.

(c) In the event the Sponsor has not invested at least \$2,500,000.00 by the end of the Investment Period, the Sponsor shall owe the County retroactively the difference between *ad valorem* property taxes on the Economic Development Property subject to payments in lieu of *ad valorem* taxes under this Fee Agreement computed as if this Fee Agreement had not been in effect for such retroactive period and the payments in lieu of *ad valorem* taxes required to be made under this Fee Agreement for that retroactive period, taking into account exemptions and/or abatements from property taxes that would have been available to the Sponsor, including but not limited to any exemption and/or abatement provided pursuant to Section 12-37-220(A)(7) of the Code (hereinafter "**Retroactive Tax Payment**").

Section 4.3. Payments in Lieu of Taxes on Replacement Property. If the Sponsor elects to replace any Removed Components (as defined below) and to substitute such Removed Components with Replacement Property as a part of the Project, then, pursuant and subject to Section 12-44-60 of the Act, the Sponsor shall make statutory payments in lieu of *ad valorem* taxes with regard to such Replacement Property as follows (subject in all events to the applicable provisions of the Act):

(a) to the extent that the income tax basis of the Replacement Property (the "**Replacement Value**") is less than or equal to the original income tax basis of the Removed Components (the "**Original Value**") the amount of the payments in lieu of taxes to be made by the Sponsor with respect to such Replacement Property shall be calculated in accordance with Section 4.2 hereof; provided, however, in making such calculations, the original cost to be used in Step 1 of Section 4.2 shall be equal to the lesser of (x) the Replacement Value and (y) the Original Value, and the number of annual payments to be made with respect to the Replacement Property shall be equal to forty (40) (or, if greater, the maximum number of years for which the annual fee payments are available to the Sponsor for each portion of the Project under the Act, as amended) minus the number of annual payments which have been made with respect to the oldest Removed Components disposed of in the same property tax year as the Replacement Property is placed in service; and

(b) to the extent that the Replacement Value exceeds the Original Value of the Removed Components (the "**Excess Value**"), the payments in lieu of taxes to be made by the Sponsor with respect to the Excess Value shall be equal to the payment that would be due if the property were not Economic Development Property. Notwithstanding the existence of any Excess Value as a result of the installation of Replacement Property at the Project, the total amount of payments due to the County for the Project shall not exceed in the aggregate the Net FILOT Payment due. If legally necessary to ensure this obligation by the County to the Company or any Sponsor Affiliate, the County will take all necessary action, including but not limited to, the provision of additional SSRCs against the payments due in connection with the Excess Value, including the adjustment to the SSRC, for the remainder of the Term.

Section 4.4. Reductions in Payments in Lieu of Taxes Upon Removal, Condemnation or Casualty. In the event of a Diminution in Value of any Phase of the Project, the payment in lieu of *ad valorem* taxes with regard to that Phase of the Project shall be reduced in the same proportion as the amount of such Diminution in Value bears to the original fair market value of that Phase of the Project as determined pursuant to Step 1 of Section 4.2 hereof.

Section 4.5. Place and Allocation of Payments in Lieu of Taxes. The Sponsor shall make the above-described payments in lieu of *ad valorem* taxes directly to the County in accordance with applicable law.

Section 4.6. Removal of Equipment. The Sponsor shall be entitled to remove the following types of components or Phases of the Project from the Project with the result that said components or Phases (the "**Removed Components**") shall no longer be considered a part of the Project and shall no longer be subject to the terms of this Fee Agreement: (a) components or Phases which become subject to statutory payments in lieu of *ad valorem* taxes; (b) components or Phases of the Project or portions thereof which the Sponsor, in its sole discretion, determines to be inadequate, obsolete, uneconomic, worn-out, damaged, unsuitable, undesirable or unnecessary; or (c) components or Phases of the Project or portions thereof which the Sponsor, in its sole discretion, elect to remove pursuant to Section 4.7(c) or Section 4.8(b)(iii) hereof.

Section 4.7. Damage or Destruction of Project.

(a) *Election to Terminate.* Subject to Section 4.1(d) hereof, in the event the Project is damaged by fire, explosion, or any other casualty, the Sponsor shall be entitled to terminate this Fee Agreement; provided, however, that (i) if there has been only partial damage of the Project due to any of such casualties and the Sponsor elects to terminate this Fee Agreement, and (ii) the Sponsor has not invested at least \$2,500,000.00 in the Project at the time of such termination, the Sponsor shall owe the County the Retroactive Tax Payment, but to the extent permitted by law if the Sponsor has invested at least \$2,500,000.00 in the Project within the time period required under the Act, it shall owe no Retroactive Tax Payment.

(b) *Election to Rebuild.* In the event the Project is damaged by fire, explosion, or any other casualty, and if the Sponsor does not elect to terminate this Fee Agreement, the Sponsor may in their sole discretion commence to restore the Project with such reductions or enlargements in the scope of the Project, changes, alterations and modifications (including the substitution and addition of other property) as may be desired by the Sponsor. All such restorations and replacements shall be considered, to the extent permitted by law, substitutions of the destroyed portions of the Project and shall be considered part of the Project for all purposes hereof, including, but not limited to any amounts due by the Sponsor to the County under Section 4.2 hereof.

(c) *Election to Remove.* In the event the Sponsor elects not to terminate this Fee Agreement pursuant to subsection (a) and elect not to rebuild pursuant to subsection (b), the damaged portions of the Project shall be treated as Removed Components.

Section 4.8. Condemnation.

(a) *Complete Taking.* If at any time during the Fee Term title to or temporary use of the entire Project should become vested in a public or quasi-public authority by virtue of the exercise of a taking by condemnation, inverse condemnation or the right of eminent domain, or by voluntary transfer under threat of such taking, or in the event that title to a portion of the Project shall be taken rendering continued occupancy of the Project commercially infeasible in the judgment of the Sponsor, the Sponsor shall have the option to terminate this Fee Agreement as of the time of vesting of title by sending written notice to the County within a reasonable period of time following such vesting.

(b) *Partial Taking.* In the event of a partial taking of a significant portion of the Project or transfer in lieu thereof, the Sponsor may elect: (i) to terminate this Fee Agreement; provided, however, that if the Sponsor has not invested at least \$2,500,000.00 in the Project at the time of such termination, the Sponsor shall owe the County the Retroactive Tax Payment, but to the extent permitted by law if the Sponsor has invested at least \$2,500,000.00 in the Project within the time period required under the Act, it shall owe no Retroactive Tax Payment; (ii) to repair and restore the Project, with such reductions or enlargements in the scope of the Project, changes, alterations and modifications (including the substitution and addition of other property) as may be desired by the Sponsor; or (iii) to treat the portions of the Project so taken as Removed Components.

Section 4.9. *Merger of Sponsor with Related Party.* The County agrees that, without again obtaining the approval of the County (to the extent permitted by the Act), the Sponsor may merge with or be acquired by a related party so long as the surviving company has an equal or greater net asset value of the Sponsor.

Section 4.10. *Indemnification Covenants.* (a) The Sponsor shall and agrees to indemnify and save the County, its agents, officers, or employees harmless against and from all claims by or on behalf of any person, firm or corporation arising from the conduct or management of, or from any work or thing done on, the Project during the Fee Term, and the Sponsor further, shall indemnify and save the County harmless against and from all claims arising during the term of the Fee Agreement from (i) any condition of the Project, (ii) any breach or default on the part of the Sponsor in the performance of any of its obligations under this Fee Agreement, (iii) any act of negligence of the Sponsor or any of its agents, servants, or employees on or with respect to the Project, (iv) any act of negligence of any assignee or sublessee of the Sponsor with respect to the Project, or of any agents, servants, or employees of any assignee or sublessee of the Sponsor with respect to the Project, or (v) any environmental violation, condition, or effect with respect to the Project. The Sponsor shall indemnify and save the County, its agents, officers, or employees harmless from and against all costs and expenses incurred in or in connection with any such claim arising as aforesaid in connection with the Project or in connection with any action or proceeding brought thereon, and upon notice from the County, the Sponsor shall defend them or either of them in any such action, prosecution or proceeding.

(b) Notwithstanding the fact that it is the intention of the parties that the County, its agents, officers, or employees, shall not incur pecuniary liability by reason of the terms of this Fee Agreement, or the undertakings required of the County hereunder, or by reason of the performance of any act requested of it by the Sponsor, including all claims, liabilities or losses arising in connection with the violation of any statutes or regulations pertaining to the foregoing, nevertheless, if the County, its agents, officers or employers should incur any such pecuniary liability, then in such event the Sponsor shall indemnify and hold them harmless against all claims by or on behalf of any person, firm or corporation, arising out of the same, and all costs and expenses incurred in connection with any such claim or in connection with any action or proceeding brought thereon, and upon notice, the Sponsor shall defend them in any such action or proceeding.

These indemnification covenants shall be considered included in and incorporated by reference in subsequent documents after the closing which the County is requested to sign, and any other indemnification covenants in any subsequent documents shall not be construed to reduce or limit the above indemnification covenants.

Section 4.11. *Confidentiality/Limitation on Access to Project.* The County acknowledges and understands that the Sponsor utilizes confidential and proprietary "state-of-the-art" trade equipment and techniques and that a disclosure of any information relating to such equipment or techniques, including but not limited to disclosures of financial or other information concerning the Sponsor's operations would result in substantial harm to the Sponsor and could thereby have a significant detrimental impact on the Sponsor's

employees and also upon the County. Therefore, subject to the provisions of Section 4.12 hereof, the County agrees that, except as required by law and pursuant to the County's police powers and except as deemed reasonably necessary by the County in the performance of its duties as tax assessor and collector, and/or its duties as Auditor, neither the County nor any employee, agent or contractor of the County: (i) shall request or be entitled to receive any such confidential or proprietary information; (ii) shall disclose or otherwise divulge any such confidential or proprietary information to any other person, firm, governmental body or agency, or any other entity unless specifically required to do so by State law. Prior to disclosing any confidential or proprietary information or allowing inspections of the Project or any property associated therewith, the Sponsor may require the execution of reasonable, individual, confidentiality and non-disclosure agreements by any officers, employees or agents of the County or any supporting or cooperating governmental agencies who would gather, receive or review such information or conduct or review the results of any inspections.

Section 4.12. *Records and Reports.* The Sponsor agrees to maintain or cause to be maintained and will make available to the County for inspection upon request of the County such books and records with respect to the Project as will permit the identification of the Equipment placed in service in each property tax year during the Investment Period, the amount of investment with respect thereto, and its computations of all payments in lieu of taxes made hereunder and to comply with all reporting requirements of the State of South Carolina and the County applicable to property subject to payments in lieu of taxes under the Act, including without limitation the reports required by Section 12-44-90 of the Act (collectively, "*Filings*").

Notwithstanding any other provision of this Section 4.12, the Sponsor may designate with respect to any Filings delivered to the County segments thereof that the Sponsor believes contain proprietary, confidential, or trade secret matters. The County shall conform, to the extent permitted by law, with all reasonable, written requests made by the Sponsor with respect to maintaining confidentiality of such designated segments.

The Sponsor shall make all required annual property tax/FILOT filings on the required PT-300 (or successor) form with the South Carolina Department of Revenue and shall cause copies of all such filings to be made with the County Auditor, Assessor, and Treasurer as required by Section 12-44-90 of the Act. Such filings shall be made on or before the due date for filing with the South Carolina Department of Revenue.

Section 4.13. *Payment of Administrative Expenses.* The Sponsor will reimburse the County from time to time for its Administrative Expenses promptly upon written request therefor, but in no event later than 60 days after receiving written notice from the County specifying the nature of such expense and requesting the payment of the same.

Section 4.14. *Collection and Enforcement Rights of County.* The parties acknowledge that the County's right to receive all payments hereunder shall be the same as its rights conferred under Title 12 of the Code relating to the collection and enforcement of *ad valorem* property taxes and, for purposes of this application, all payments due hereunder shall be considered a property tax. Prior to the due date of the first Net FILOT Payment hereunder, the Sponsor shall provide an irrevocable surety or performance bond or irrevocable letter of credit to secure the performance of its obligations hereunder, including but not limited to any payment obligations that may arise pursuant to Sections 4.1(d), 4.1(e), and 4.21. Coverage under such surety or performance bond or irrevocable letter of credit shall be in at least the amounts set forth in Exhibit B. The surety or performance bond or irrevocable letter of credit shall be for the benefit of the County, and the issuer as well as the form and substance thereof must be agreeable to the County, as determined by the County Administrator, provided that consent may not be unreasonably withheld, conditioned, or delayed.

Section 4.15. *Assignment and Subletting.* This Fee Agreement may be assigned, in whole or in part and the Project may be subleased as a whole or in part by the Sponsor so long as such assignment or sublease is made in compliance with Section 12-44-120 of the Act; provided, however, that in connection with any assignment or total subleasing by the Sponsor in which the Sponsor requests the release of the Sponsor from this Fee Agreement, the consent of the County shall be required, which consent shall not be unreasonably withheld. The County hereby consents to transfers not requiring its consent, and to the extent any required or further consent is requested, the County may do so by passage of a Resolution.

Section 4.16. *County's Estoppel Certificates for Sponsor's Financing Transactions.* The County agrees to deliver, and hereby authorizes the County Administrator to execute and deliver on behalf of the County without further action required on the part of the County Council, all at the expense of the Sponsor, respectively, any estoppel certificates, acknowledgements or other documents certifying the full force and effect of this Fee Agreement and the absence of any default hereunder and acknowledging the continuing validity of this Fee Agreement after its transfer required in any financing related transfers authorized by Section 12-44-120 of the Act, as may be reasonably requested by the Sponsor or any lender of the Sponsor from time to time in connection with any financing arrangement or financing related transfers made by the Sponsor as contemplated under Section 12-44-120 of the Act.

Section 4.17. *Sponsor's Continuing Obligations After Termination by Sponsor.* In the event the Sponsor terminates this Fee Agreement, the Sponsor shall continue to be obligated to the County for its indemnification covenants under Section 4.10, the payment of outstanding Administrative Expenses under Section 4.13, and any outstanding payments in lieu of *ad valorem* taxes under Article IV or retroactive payments required under this Fee Agreement or the Act, and all other payments due hereunder.

Section 4.18. *Events of Default.* The following shall be "*Events of Default*" under this Fee Agreement, and the term "*Events of Default*" shall mean, whenever used with reference to this Fee Agreement, any one or more of the following occurrences:

(a) Failure by the Sponsor to make, upon levy, the payments in lieu of *ad valorem* taxes described in Section 4.2 hereof; provided, however, that the Sponsor shall be entitled to all redemption rights granted by applicable statutes; or

(b) Failure by the Sponsor to perform any of the other material terms, conditions, obligations or covenants of the Sponsor hereunder, which failure shall continue for a period of sixty (60) days after written notice from the County to the Sponsor specifying such failure and requesting that it be remedied, unless the County shall agree in writing to an extension of such time prior to its expiration.

Section 4.19. *Remedies on Default.* Whenever any Event of Default shall have occurred and shall be continuing, the County, after having given written notice to the Sponsor of such default and after the expiration of a sixty (60) cure period (unless otherwise specified herein) the County shall grant to the Sponsor (which cure period shall not be applicable in the case of failure to make the payments in lieu of *ad valorem* taxes due under this Fee Agreement), may take any one or more of the following remedial actions:

(a) Terminate the Fee Agreement; or

(b) Take whatever action at law or in equity may appear necessary or desirable to collect the other amounts due and thereafter to become due or to enforce performance and observance of any obligation, agreement or covenant of the Sponsor under this Fee Agreement; or

(c) In the event of an Event of Default hereunder, if the Sponsor has not caused all solar panels on the Land to be removed within one hundred eighty (180) days from the date of termination of the Fee

Agreement, the County and its authorized employees, agents, and third party contractors shall have the right to enter upon the Land to engage in the removal of all remaining solar panels from the Land, subject to any landowner rights applicable to the Real Property, provided that any landowner joining this Fee Agreement specifically agrees to allow such access.

(d) For the avoidance of doubt, the exclusive remedy for failure to meet the Project Commitment is set forth in the Section 4.1(d)(iii).

Section 4.20. Remedies Not Exclusive. No remedy conferred upon or reserved to the County under this Fee Agreement is intended to be exclusive of any other available remedy or remedies, but each and every remedy shall be cumulative and shall be in addition to every other lawful remedy now or hereafter existing. No delay or omission to exercise any right or power accruing upon any continuing default hereunder shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the County to exercise any remedy reserved to it, it shall not be necessary to give notice, other than such notice as may be herein expressly required and such notice required at law or equity which the Sponsor is not competent to waive.

Section 4.21. Decommission Costs. Within six months of the first date upon which the Project produces electricity for sale, Sponsor shall procure and deliver to the County a surety or performance bond or irrevocable letter of credit in the amount of \$50,000 or 125% of the estimated decommission costs associated with the Project, whichever is greater. The estimated decommissioning costs shall be determined by an engineer licensed to practice in South Carolina.

Section 4.22. Addition of Sponsor Affiliates. Upon request of and at the expense of the Company, the County may approve any future Sponsor Affiliate that qualifies under the Act for the benefits offered under this Fee Agreement and which agrees to be bound by the provisions hereof to be further evidenced by such future Sponsor Affiliate entering into a Joinder Agreement in a form substantially similar to that attached to this Fee Agreement subject to any reasonable changes not materially adverse to the County. The addition of any other Sponsor Affiliate that it is an "Affiliate" of the Company shall not require further approval by the County and shall be effective upon the execution and delivery of the above-referenced Joinder Agreement. "Affiliate" shall mean an entity that controls, is controlled by, or is under common control with the Company. The addition of any other Sponsor Affiliate that is not an Affiliate of the Company shall require the approval of the County together with the execution and delivery of the above-referenced Joinder Agreement.

This Fee Agreement and each document contemplated hereby or related hereto shall be binding upon and inure to the benefit of the Sponsor and the County and their respective successors and assigns. In the event of the dissolution of the County or the consolidation of any party of the County with any other political subdivision or the transfer of any rights of the County to any other such political subdivision, all of the covenants, stipulations, promises and agreements of this Fee Agreement shall bind and inure to the benefit of the successors of the County from time to time and any entity, officer, board, commission, agency or instrumentality to whom or to which any power or duty of the County has been transferred.

Section 5.8. Severability. If any provision of this Fee Agreement is declared illegal, invalid or unenforceable for any reason, the remaining provisions hereof shall be unimpaired and such illegal, invalid

or unenforceable provision shall be reformed so as to most closely effectuate the legal, valid and enforceable intent thereof and so as to afford the Sponsor with the maximum benefits to be derived herefrom, it being the intention of the County to offer the Sponsor the strongest inducement possible to locate the Project in the County.

Section 5.9. *Limited Obligation.* ANY OBLIGATION OF THE COUNTY CREATED BY OR ARISING OUT OF THIS FEE AGREEMENT SHALL BE A LIMITED OBLIGATION OF THE COUNTY, PAYABLE BY THE COUNTY SOLELY FROM THE PROCEEDS DERIVED UNDER THIS FEE AGREEMENT AND SHALL NOT UNDER ANY CIRCUMSTANCES BE DEEMED TO CONSTITUTE A GENERAL OBLIGATION OF THE COUNTY WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY LIMITATION.

Section 5.10. *Force Majeure.* Except for payments in lieu of *ad valorem* taxes under this Fee Agreement the due dates of which are statutorily mandated, the Sponsor shall not be responsible for any delays or non-performance caused in whole or in part, directly or indirectly, by strikes, accidents, freight embargoes, fire, floods, inability to obtain materials, conditions arising from government orders, war or national emergency, or acts of God (each a "*Force Majeure*").

Section 5.11. *Execution Disclaimer.* Notwithstanding any other provisions, the County is executing this Fee Agreement as a statutory accommodation to assist the Sponsor in achieving the intended benefits and purposes of the Act. The County has made no independent legal or factual investigation regarding the particulars of this transaction and it executes this Fee Agreement in reliance upon representations by the Sponsor that this document complies with all laws and regulations, particularly those pertinent to industrial development projects in South Carolina.
