WHEREAS, pursuant to Title 4, Section 1, Code of Laws of South Carolina, 1976, as amended ("MCIP Act"), the County is authorized (i) to develop multi-county industrial or business parks in partnership with counties having contiguous borders with the County, (ii) to include within the boundaries of such parks the property of eligible companies; and (iii) to grant credits against FILOT payments to qualifying companies to offset qualifying infrastructure related expenditures ("Special Source Revenue Credits"); and

in a fee-in-lieu of *ad valorem* taxes agreement between the County and the Company (“Fee Agreement”); (2) the placement of the Project in a multi-county industrial or business park of which the County is a member county; (3) the provision of an annual Special Source Revenue Credit (“SSRC”) against those FILOT payments made by the Company to the County for the Project equal to the difference between the annual FILOT payment calculation and the annual net FILOT payment liability due to the County, which shall be calculated annually as follows: a) For property tax years 1-10, the sum of \$4,000 per megawatt of alternating current generation capacity of the PV Facility at the Project; and b) For property tax years 11-30, the sum of \$3,500 per megawatt of alternating current generation capacity of the PV Facility at the Project (for example, if the anticipated megawatts of alternating current generation capacity of the PV Facility is 74.5, then the annual net FILOT payment would be \$298,000 for property tax years 1-10 and \$260,750 for property tax years 11-30); and (4) any other incentives that may be set forth in the Fee Agreement or other agreements by and between the County and the Company (collectively, the “Incentives”); and

WHEREAS, the parties recognize and acknowledge that the Company would not otherwise locate the Project in the County but for the delivery of the Incentives and the Company is relying on the offer of the Incentives to proceed with its development activities for the Project; and

WHEREAS, in accordance with Section 12-44-40 of the Act, and based on information provided by the Company, the County has determined that (i) the Project will benefit the general public welfare of the County by providing services, employment, recreation or other public benefits, not otherwise adequately provided locally; (ii) the Project will not give rise to any pecuniary liability of the County or incorporated municipality or a charge against the general credit or taxing power of the County or any incorporated municipality; (iii) the purposes to be accomplished by the Project are proper governmental and public purposes; and (iv) the benefits of the Project to the public are greater than the costs to the public.
